

**AGENDA ITEM VII**

**PROPOSED ACADEMIC REORGANIZATION**

**SOUTHEASTERN LOUISIANA UNIVERSITY**

**REQUEST TO REORGANIZE/RENAME DEPARTMENTS WITHIN THE  
COLLEGE OF BUSINESS**

## **AGENDA ITEM VII**

### **PROPOSED ACADEMIC REORGANIZATION**

#### **SOUTHEASTERN LOUISIANA UNIVERSITY**

### **REQUEST TO RESTRUCTURE/RENAME DEPARTMENTS WITHIN THE COLLEGE OF BUSINESS**

#### **STAFF SUMMARY**

The College of Business at Southeastern Louisiana University currently consists of four departments – Accounting, General Business, Management, and Marketing and Finance. Reflecting recent program changes and assignment of associated degrees and faculty, the University requests that these four departments be restructured (through reapportionment of existing College program offerings and faculty assignments) and renamed appropriately. Accordingly, the four departments within the College would now be called Accounting, Business Administration and Finance, Management, and Marketing and Supply Chain Management. As no new degree programs would result from these changes, no new faculty/administrators needed, nor any increase in the number of departmental units within the College, the proposed changes are cost neutral.

#### **STAFF ANALYSIS**

The staff concurs with the University's rationale for the proposed changes.

#### ***STAFF RECOMMENDATION***

***The staff recommends that the Academic and Student Affairs Committee grant approval for the request from Southeastern Louisiana University to restructure and rename departments within its College of Business, as described in the Staff Summary.***
